RED RIBBON CLUB

The **red ribbon**, as an awareness ribbon, is used as the symbol for the solidarity of people living with HIV/AIDS, and for the awareness and prevention of drug abuse and drunk driving.

The Red Ribbon is the International symbol of HIV and AIDS awareness. It stands for care & concern for those who are living with HIV, for those who are ill, for those who have died and for those who care for and support those directly affected.

Red Ribbon Club is a movement started by the Government of India in schools and colleges (Education Institutes) through which, students will spread awareness over HIV/AIDS among the society.

Red Ribbon Club is a globally recognized symbol for HIV/AIDS awareness.

It is an important initiative undertaken to spread awareness about HIV and associated myths among the youth and

empower them as per educators.

The Red Ribbon is intended to be a symbol of hope – that the search for a vaccine and cure to halt the suffering is successful and the quality of life improves.

The **Red Ribbon Club** is a voluntary on-campus intervention program for students. The program organized by RRC addresses the knowledge, attitude and behavior of the youths in the interrelated areas of Voluntary Blood Donation, HIV & AIDS, as demanded by their age, environment, and life style.
