

Sports Report 2016-2017

In the present day world scenario an institution without Sports & Games is unthinkable as Sports & Games form an integral element of education. Formerly teaching consisted of merely imparting the basic skills of three R's- **READING, WRITING & ARITHMETICS** but true learning is much more than that. Today's education must cater to the all round development of a students. In this respect Sports & Games play a pivotal role in bringing out the latent talent of a student, by constantly motivating and encouraging them, which leads to increase in their self confidence, strengthening their will power and determination, by imparting rigorous training, and coaching which finally yields the best result.

In our college we create benchmarks in excellence not only in studies but also in Sports and Games. We believe in the concept of integrated development of the student with hard work as our "watch word". This report is a compilation of the achievements made in the field of Sports and Games during this academic year.

The year 2016-17 saw a rich crop of trophies and shields being harvested by our college students.

To begin with the Kakatiya University I Phase Intercollegiate tournaments conducted by KITS College, Warangal, in the month of September 2016 our college players contingent made their strong presence felt, they where the cynosure of all and won all the games they took part in. The "**All-round Champion Trophy**" has become the monopoly of the Singareni Collieries Women's College for the past seven years and it shows the great determination,, and sports prowess of our students.
