

Sports Report 2017-18

As it is a well known fact that Academics help in nourishing the mind, It is a fact that healthy mind resides in healthy body, so sports and Games are necessary for maintaining our **healthy and physical fitness**, as they inculcate good qualities like **Healthy Competition, Leadership, Motivation, Co-operation and Co-ordination** besides developing a spirit of **Self confidence, Self-reliance and Discipline**. Keeping in mind these essential factors in moulding the personality of our students. Training was given to our students and it has been yielding great results. Maintaining the Winning streak in Kakatiya University Inter Collegiate Tournaments since several years, our students continued to bad the **Overall Championship Trophy**, winning streak this year also.

In the Inter Collegiate Tournaments, conducted by Kakatiya University **comprising of 450 colleges**, our college students under stiff competition put up an excellent team work and coordination and were declared **Winners in five** events.
